

Blanket *charm city* with Hyatt this season.

Baltimore Bill and “The Old Farmer’s Almanac” both have predicted the 2014-15 winter season to be colder than normal. In order to keep Charm City warm, Hyatt Regency Baltimore has partnered with Target on Boston Street to collect one blanket for every bed in the hotel—800 new blankets!

All blankets will be donated to The Franciscan Center and the Maryland Center for Veterans Education & Training to ensure everyone in our community stays warm this winter. Please help us reach our goal by visiting our Facebook page at facebook.com/HyattRegencyBaltimore. Let’s get the blanket drive trending with the [#hyattblanketsbmore](https://twitter.com/hyattblanketsbmore) hashtag and blanket the city.

For more information on how to donate, visit baltimore.hyatt.com or call 410 605 2802 and speak with one of our dedicated team members. Hyatt. You’re More Than Welcome.
