Founded in 1968 by the Franciscan Sisters of Baltimore, the Franciscan Center operates as a one-stop shop for families and individuals in crisis from throughout the City, helping them to achieve stability by meeting their basic human needs like food and clothing and empowering them with the tools and resources necessary to build self-sufficient lives. With more than 85% of our funding from private sources and more than 50% of our workforce on a daily basis made up of volunteers, the Center is truly community supported. Our programs are delivered by *Marylanders, for Marylanders.*

Together, our food programs provided nearly 200,000 meals last year to men, women and children who are among our most vulnerable neighbors – *and the Center offers so much more than just food!* For more information, please visit our website at www.fcbmore.org, or call Ben Trently at 410-467-5340, ext. 117. Thank you so much for your generous support!
